Written & Oral Presentation Rubric		50%		
	4	3	2	1
<b>Poise and Preparation</b>	<b>High level of planning</b> and preparation is evidenced by confident and organized presentation, which falls within allotted time.	<b>Adequate</b> level of planning and preparation is reflected in reasonably smooth presentation, which falls within allotted time.	Poise and composure indicate <b>need for additional preparation</b> and planning. Time parameters may also be a concern.	<b>Obvious lack of preparation</b> contributes to deficiency in poise, composure and observance of time requirements.
<b>Content</b>	<b>Rich, and reflective.</b> Creatively communicates thematic relationships found within story.	<b>Sufficiently</b> addresses the five required elements of the presentation.	Loosely organized and/or <b>superficially</b> addresses the required elements of the presentation.	<b>Does not reflect a thorough understanding</b> or adequate reading of the book.
<b>Knowledge</b>	Presentation & response to questions reflects a <b>thorough</b> understanding of the book and its related themes.	Presentation & response to questions reflects a <b>basic</b> understanding of the book and its related themes.	Presentation & response to questions reflects a <b>superficial</b> understanding of the book and its related themes	Presentation & response to questions reflects an <b>inadequate</b> reading or understanding of the book.

Within a four to five-minute period of time, student will present an oral presentation of their book and related project that addresses five components:

### Oral Presentation Suggested Format

The oral presentation should generally follow the organizational pattern of an expository paper.

1. \_\_\_ Introduction (Themes, primary issues, and main characters)

2. \_\_\_ Plot Summary

3. \_\_\_ Personal Review

4. \_\_\_ Project Explanation

5. \_\_\_ Conclusion

The parts following the introduction should support thematic points that you make in your introduction.
