

The Dominant Primordial Beast

Name: _____

Team: _____

Directions: Identify the characteristics that have been exposed and developed by Buck's experiences in the first 3 chapters that truly enable him to become the **Dominant Primordial Beast**.

Then, let Buck comment on the experience that either exposed that characteristic or served to develop it. (See the example)

Imagination

I used this quality to defeat Spitz. Even though he was ready for all of my other moves, he never saw the "Below the Snow" move coming. I came up with this move after nothing else seemed to work on him.

Buck should have much to say for himself.

You know....if dogs could really talk.
