**1. What is the most effective part of my Solutions Page? Explain why?**

---

---

---

**2. How does my content clearly reflect my research on the efforts of other organizations to help this animal?**

---

---

---

**3. How do I connect my organization's solutions to the efforts that I've mentioned from other organizations?**

---

---

---

**4. Do I make a strong closing statement that reflects the importance of preserving this animal and that clearly suggests how the reader can get involved with those efforts?**

---

---

---

**After reflecting on these questions, review the guidelines for the solutions page and revise your work.**
